Gilad Urdang wins the AeSSA Frank Carnell award
1 February 2022

The AeSSA congratulates Gilad Urdang from the School of Mechanical, Industrial and Aeronautical Engineering at the University of the Witwatersrand for receiving the Col. Frank Carnell award. Gilad earned the prize by performing consistently throughout his Aeronautical engineering degree and accomplishing excellent results in his final year of study. He graduated as the top aeronautical engineering student with an aggregate final mark that was greater than 75 %.

We wish Gilad future success and to keep on flying high!
